Communication and Relationship Management Skills

Why Attend

- Superior communication skills and relationship management are integral parts of any successful company or institution. Such foundational competencies are critical for healthy and prosperous organizations. In this training course, we look at both ingredients from a practical approach to building long-term, influential networks. From organizing, analyzing and communicating one's thoughts to building successful and purposeful relationships, this course offers a solid foundation to engage with others the right way. Participants will get the opportunity to discover many associated talents, and practice them before they head back to their workplace. They will also learn how great relationship builders enhance the flow of information within an organization, win people's support, and attain desired goals and results.

Course Methodology

- This course relies on active participation as a core activity relying on different business scenarios and case studies to impart critical knowledge and skills about successful communication and relationship management. The course also uses a mix of interactive techniques, such as brief presentations by the participants, different role-plays, practical team and individual exercises, and self-evaluations.

Course Objectives
