The Oxford HRM & Training Programme

INTRODUCTION

- In today's tough global market, it is vital that HR and Training instigate the best practices and take advantage of recent innovations to really add value to the organisation. During this Human Resource Management training seminar on The Oxford HRM & Training Programme, you will find out not only what's new but also how innovative practices can be implemented and the way they will benefit your organisation in either the public or private sectors.
- This training seminar will feature:
- Explanation of the main theories surrounding the development of effective HR
- The theories are then put into practice by the use of practical exercises
- Mixing theory and practice
- Practice using new techniques to transform any training activity
- Learn from practices in top companies that surpass "Best Practice"
- Gain a holistic view of the entire training function

OBJECTIVES

Upon completion of this training course, delegates will:

- Develop an understanding human resources development and personnel management practices
 - Develop awareness the advantages of effective human resource management
 - To develop awareness of key HR and HRD strategies for improving organisational success
 - Demonstrate trends and do efficiency analysis
 - Set up and effectively measure any element of delivered training & be able to demonstrate training efficiency
 - Measure skills, knowledge, behaviour, competency, style, self belief, attitudes and personality
-

TRAINING METHODOLOGY

- The training methodology used is designed to encourage maximum participation by all delegates. The presenter will suggest ideas and theories to the delegates and then encourage them to test out the ideas by the use of discussion, small group work, exercises and feedback. Case studies, DVD's, group exercise, worked examples will all be used in a relaxed and enjoyable learning environment.

ORGANISATIONAL IMPACT
