

Arabian Institute For Training

The Efficient and Highly Productive Administrator

Why Attend

- Organizations are experiencing rapid changes which are creating several challenges to modern administrators. Most notably is the need for administrators to absorb more workload and improve the quality of output. This course will equip you with precise strategies which will lift your productivity and efficiency to new levels. You will also develop and practice a variety of behavioral competencies which will help you gain the needed relations. Finally, this course will provide you with highly needed technical competencies skills.

Course Methodology

- This course uses a combination of interactive activities, group and individual exercises, role plays and discussions. It also uses tools to assess personal talents and areas of improvement and will help participants devise improvement plans accordingly. Participants will come up with their own strategies to overcome real life scenarios and will be given the chance to challenge and defend findings.

Course Objectives

By the end of the course, participants will be able to:

- List the administrator challenges in the 21st century to be proactively ready for them
- Combine the efficiency and effectiveness concepts for higher productivity
- Develop technical competencies to enable professional advancement
- Apply administrator's soft skills to stand out of the crowd
- Use professional business writing techniques in internal and external communication
