

Arabian Institute For Training

Human Resources Management

Why Attend

- Based on the fact that knowledge is the gateway to engagement, the 'HR Management course' is designed to build participants' awareness and knowledge of the major functions that make up a modern HR department. The modules of this course are considered fundamental and include basic knowledge as well as latest trends and keys to effectiveness. If you are looking to strengthen your knowledge, venture into a specific HR function or embark on an HR business partner role, then this course should be your first course to consider.

Course Methodology

- Each day will be dedicated to one topic that will be extensively explored. Evolutionary trend analysis, skill building exercises, role plays and videos are some of the training methodologies used. Moreover, everyday will have an allocated slot to explore additional topics of interest or unresolved challenges in the workplace.

Course Objectives

By the end of the course, participants will be able to:

- List the main functions in Human Resources Management (HRM)
- Defend the new roles of modern HRM
- Apply the functions of recruitment and selection and follow the main steps in attracting and hiring qualified candidates
- Describe the different steps in the training and development cycle
- Explain the roles and responsibilities of HRM in designing and implementing a performance management system
- Demonstrate understanding of a complete compensation management system
