The Leadership of Inclusion

INTRODUCTION

- Inclusion in the workplace leads to creativity and prosperity. In this innovative training course, you will learn to recognise and remove the subtle, yet embedded practices, that can impede inclusion in your workforce. Inclusion is about developing a work environment where everyone feels able to participate and achieve their potential.
- The business case for inclusion is well-established, and the research shows that good outcomes directly correlate with diverse teams and inclusive workplace environments.

This training course will highlight:

- Work practices to improve inclusion in your workplace
- Promoting and supporting diversity in the workplace
- Recognising and removing embedded practices that impede inclusion
- Challenges and obstacles to implementing an inclusion strategy
- The business case for inclusive workplace practices

OBJECTIVES

At the end of this training course, participants will learn to:

- Describe the meaning of inclusion
- Illustrate how to minimise barriers to a diverse and inclusive workplace
- Argue the case for inclusion in your organisation
- Explain how to remove embedded practices that impede inclusion
- Evaluate your knowledge of different cultures relevant to your business

TRAINING METHODOLOGY

- Participants in this training course will receive thorough training on the subjects covered by the course outline with the facilitator utilising a variety of proven adult learning teaching and facilitation techniques.
 - This training course on The Leadership of Inclusion is very participatory and experiential. It involves skill practice in a group setting. Training methodology includes individual, and group activities will intersperse the sessions. A variety of practical sessions, relevant case studies, simulations, and group games and activities are programmed into this course.
