Leading through VUCA (Volatility, Uncertainty, Complexity & Ambiguity)

INTRODUCTION

- The World is changing at an alarming rate as we transition through the 4th Industrial Revolution -, workplaces, global markets, Gen Y and Gen Z, business advances progressing faster every day. As a leader: “How can you lead and manage your people, as well as your organisation, in this ever-changing world? Can traditional Leadership models really work?”
- These rapid changes have brought with it increased volatility, uncertainty, complexity, and ambiguity or, as it's now known in leadership terminology, as - VUCA. VUCA is now seen as the "new norm" of the modern world with "VUCA Leadership" defining the new way of leading in the 21st Century.
- This Leading through VUCA training course will provide you with the confidence, skills, and techniques to fully understand the implications of VUCA on your people and your organisation. It will enable you to conduct and apply the powerful and inspiring techniques required to master this new way of leadership. This course is essential for those who wish to learn key behavioural principles in leading people in today's rapidly changing VUCA world.

This training course will highlight:

- The key components of active leadership, self-awareness and the power of emotional intelligence in leading through VUCA
- How to recognize volatility in the business and turn this to a positive vision?
- How to define uncertainty in your organisation, and turn this to understanding?
- How to understand complexity in the organisation and to turn this to clarity for your people?
- How to identify ambiguity in the business and adapt this to agility?
- The key principles and process to lead your people, teams and the organisation through VUCA

OBJECTIVES

At the end of this training course, you will learn to:

- Understand the impact of VUCA on leading styles in today's dynamic business
 - Critically analyze the VUCA principle
 - Apply powerful skills and techniques to lead through VUCA
 - Increase self-awareness of your leadership ability in today's changing world
 - Apply techniques to lead, motivate and inspire individuals to their full-potential
 - Demonstrate the best leadership principles
 - Develop as an effective and efficient leader in the modern world
-

TRAINING METHODOLOGY

- This highly interactive and participative Leading through VUCA training course provides highly practical examples and activities relating to the core competencies of VUCA Leadership; specific Leadership videos relating to the VUCA topics being discussed; as well as targeted, highly interactive exercises and practical VUCA templates to ensure learning is fully embedded during the course. In addition, there will be structured, facilitated discussions to help reinforce the concepts and techniques used.
