Managing & Negotiating with Consultants & Contractors

INTRODUCTION

- This Managing & Negotiating with Consultants & Contractors training course aims at equipping the hiring (line) managers, procurement, and recruiters to maximize the return on investment in the “recruit to contract termination” process of external consultants and contractors for the hiring organizations. Organizations want to enjoy the flexibility of a contractor’s workforce instead of internal staff, but would there be conflicts when contractors and internal staff have to work together? How to ensure seamless team effort among contractors and internal staff?
- The trend of outsourcing and the continuous interest of shareholders to want organizations to have fewer and fewer headcounts and governments should become smaller and smaller; the importance and popularity of external consultants and contractors keep increasing. How to identify and attract the best contractors / consultants? How to accelerate the onboarding time for contractors / consultants? How to retain them? How to get the most out of them within a flexible contract period? It is quite similar to the case with internal employees, yet there is a significant difference too.

This training course will highlight:

- Define “Statements of Work” or Terms of Reference (TOR) as part of tender document
- Market intelligence and benchmarking for different types of consultants and contractors
- A complete tender document with key contractual clauses
- Negotiations with consultants / contractors before and after contract award
- Application of different payment structure for different scenarios
- Develop practical Service Level Agreement (SLA)
- Contract Performance Management

OBJECTIVES
